PRIMARY SCHOOL PROGRAMS

MITTY 5 & 6 AND FAMILY EVENING PROGRAMS NOW AVAILABLE

Interrelate primary school programs available online

We're excited to announce that we have transformed our flagship primary school programs online – with more to come!

Due to the challenging education environment, Interrelate understands the importance of continuing our curriculum-aligning school programs to primary school students throughout Australia. With most students now learning in an online, isolated environment, transitioning our face-to-face programs to online, educational programs has been a key priority for Interrelate.

You can now access MITY 5, MITY 6 and Family Evening programs online through our virtual classroom. Links to the three programs are below:

HIGH SCHOOL PROGRAMS

SHADES OF PORNOGRAPHY AND BODY POSITIVITY NOW AVAILABLE

Interrelate high school programs available online

Interrelate have adapted to the needs of Australian students who are learning from home and online. Our goal is to have students access our flagship relationship and sexuality education programs. Now that we are online, we can connect with schools just like yours through our virtual classroom!

Interrelate is offering online delivery for our two high school programs - Shades of Pornography and Body Positivity.

These are from our suite of high school programs for Years 7-10 which cover areas of teenage life that are related to relationships and sexuality. Our curriculum-aligned programs focus on the whole person, including biology, identity, gender resilience and expression of self. Our high school programs will assist young people to understand that relationships should be consensual, respectful, equal, and satisfying for all.

We understand that your school is operating in uncertain times. To support, we are offering a **50% discount** for **Body Positivity** and **Shades of Pornography** programs booked before **30 June 2020**. This is your chance to take advantage of our offer to guarantee a program for your students.

To purchase this program, please sign up by clicking the button below.
